## Hug Your Mug Instructions

Items you will need for this project:

Buttons

Colored Hair Elastics

11 1/2" x 4 1/2" piece of Fleece material

Two 11 1/2" x 4 1/2" pieces of Fabric for the front & back sides

Note: The average embroider design for this pack is 3" tall.

1. Cut material 11 1/2" x 4 1/2" for tall coffee mugs or 11 1/2" x 4" for shorter coffee mugs. You will need two pieces of fabric and one piece of fleece.
2. Embroider design using spray adhesive on cutaway or peel & stick backing.

You can choose to embroider in the center of the material or right side measuring 4 1/2" from the right side of material and centering design at the 2" mark.

3. Lay the embroidered fabric right side up. Place the back piece right sides together and lay the fleece on top.

4. Place the Hair Elastic sandwiched between the two pieces of material. You can cut the elastic so that the two ends stick out the edge of the material.

5. Pin the pieces together so that you leave an opening at the bottom.

6. Sew 1/4" seam starting at the start of the opening at the bottom and work your way around to the last opening.
7. Trim the corners so you can box them and turn inside out.
8. Box the corners
9. Hand stitch the opening closed and press.
10. Sew the button in the center of the finished fabric and 1/2" from end of fabric.
