Finished Gift Card Holder

### Instructions for the Gift Card Holder

Items you will need for this project:

Fibrous water soluble stabilizer (cut pieces larger than hoop)

One 3" X 6" piece of fabric for the pocket front

Two 3" X 4" pieces of fabric for the pocket back

Adhesive Fabric Spray

Tape (such as Scotch brand)

Ribbon

**Embroider the front pocket piece first. Select gift card holder design of your choice. Make sure to use the files beginning with "NFC..."**

Note: The outline and tackdown color changes are for the applied area(s) of the design. The outline is a running stitch line that defines the applique's shape. Your piece of fabric should be a little bigger than the outline. The tackdown is a running stitch line that will stitch inside the outline to tack down the fabric. Trim the fabric close to the tackdown stitches.

1. Hoop two pieces of fibrous water-soluble stabilizer.
2. Stitch the first color change, which is your outline for applique fabric placement.
3. Fold the 3" X 6" piece of fabric in half with front side up. Spray back with adhesive fabric spray.
4. Lay the fabric with folded edge lined up with the top of the outline.
5. Stitch the second color change, which is the tack down stitch.
6. Trim the fabric ¼" from the outside of the tack down stitches.
7. Embroider the design, following the remaining color changes.
8. Remove from the hoop.
9. Trim the stabilizer close to the fabric.
